TERMS OF SALE

Customer agrees to each of the following terms and conditions of sale:

1. *Late Charges.* Customer agrees that net payment is due to CVBS on the tenth (10th) of the month following date of purchase and past-due after thirty (30) days. Past-due accounts shall be charged a late charge which is computed by a "periodic rate" of one and half percent (1 ½ %) per month, eighteen percent (18%) per annum, (or a minimum monthly charge of \$.50). Customer agrees that any late charge computed will become part of its financial obligation to CVBS.
2. *Attorneys Fees and Costs.* If the customer's account receivable is referred to an attorney for collection, customer agrees that customer shall pay all collection and attorney's fees, cost, and late charges in addition to the balance due. If either party becomes involved in litigation arising out of this contract or the performance thereof, the court, in such litigation, or in a separate suit, shall award reasonable costs and expenses, including attorney's fees, to the prevailing party. In awarding attorney's fees, the court will not be bound by any court fee schedule; but shall, if it is in the interests of justice to do so, award the full amount of costs, expenses and attorney's fees paid or incurred in good faith.
3. *Duty to Inspect.* Customer agrees that all delivery of materials shall be inspected upon receipt and if any errors or irregularities exist, then the errors and irregularities must be reported to CVBS in writing within five (5) days of receipt of the materials, and before using the materials and merchandise otherwise customer waives any right to any claim, refund, or adjustment of any kind with regard to those materials. Customer agrees that CVBS assumes no liability as to use of the materials and merchandise. Customer agrees that when materials are incorporated into the work of improvement, such an act constitutes irrevocable acceptance by the customer that the materials comply with terms of sale. Customer agrees that the quantity stated in the point of sale invoice shall be deemed correct unless customer writes otherwise on the point of sale invoice at the time of delivery.
4. *All Sales are Final.* All sales are final, however, CVBS may in its sole discretion, elect to accept return of merchandise sold to customer provided:
 - A. A ten percent (10%) handling charge will be assessed on stock goods returned for credit. The merchandise must be accompanied by the original invoice, the merchandise must be in the same condition as existed at the time of the original sale by CVBS and the merchandise must be returned within thirty (30) days of the original sale by CVBS. Customer agrees that CVBS is under no obligation to accept return of merchandise in exchange for a credit to customer's account, and specifically agrees that CVBS has no obligation to accept returns or exchanges, regardless of the condition of the merchandise, after thirty (30) days from the date of the original sale.
 - B. Customer agrees that all special order items, including window units, pre-hung doors, and trusses are not returnable by the customer for credit under any circumstances.
 - C. Customer agrees that in the event it is determined that any merchandise or material is defective in any respect or not suitable for any particular purpose, customer agrees that customer's legal and equitable remedies are limited to the replacement of the defective material and/or merchandise and in no event is CVBS liable for more than the difference between the purchase price of the original merchandise that is determined to be defective, and the actual value of the defective merchandise. Further, customer agrees that no action arising from or relating to the sale of alleged defective merchandise or materials shall be commenced against CVBS more than one (1) year after delivery of said merchandise or materials. This limitation applies to all actions of any character, whether at law or in equity, and whether sound in contract, tort or otherwise. This limitation shall not be extended by any negligent misrepresentation or unintentional concealment, but shall be extended as provided by law for willful fraud, concealment, or misrepresentation.
5. *Delay.* CVBS shall be excused for any delay in the delivery of any merchandise or materials caused by acts of God, acts of customer or customer's agent, stormy weather, labor trouble, acts of public entities, public bodies, or inspectors, extra work, failure of customer to make progress payments promptly, or other contingencies unforeseen by CVBS and beyond the reasonable control of CVBS.
6. *Delivery.* Prices are based on delivery to points accessible by CVBS trucks only. CVBS furnishes no lanterns for loads dumped in street and customer agrees that CVBS assumes no risk or liability in the method and manner in which the merchandise is delivered and stored at the delivery point. All merchandise and materials sold shall be delivered to the curb only, and customer agrees that CVBS is not responsible for broken sidewalks or curbs where customer or its agent request delivery onto the premises. Customer is responsible for adequate access to the delivery location and agrees to deliver materials off standard highways and streets.
7. *Price Verification.* All Prices stated in the point of sale invoice are subject to price verification by CVBS. Corrections in said prices will be reflected in customer's monthly statement.
8. *Indemnification.* To the fullest extent permitted by law, the Customer shall indemnify and hold harmless CVBS and all of its agents and employees from and against all claims, damage, loss and expenses, including but not limited to attorney's fees, arising out of or resulting from the use of the merchandise and materials delivered to Customer by CVBS.
